-  No Map Available

Bedrock 1:100,000 Scale

-  Complete

1:24,000 Quadrangle:

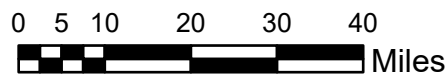

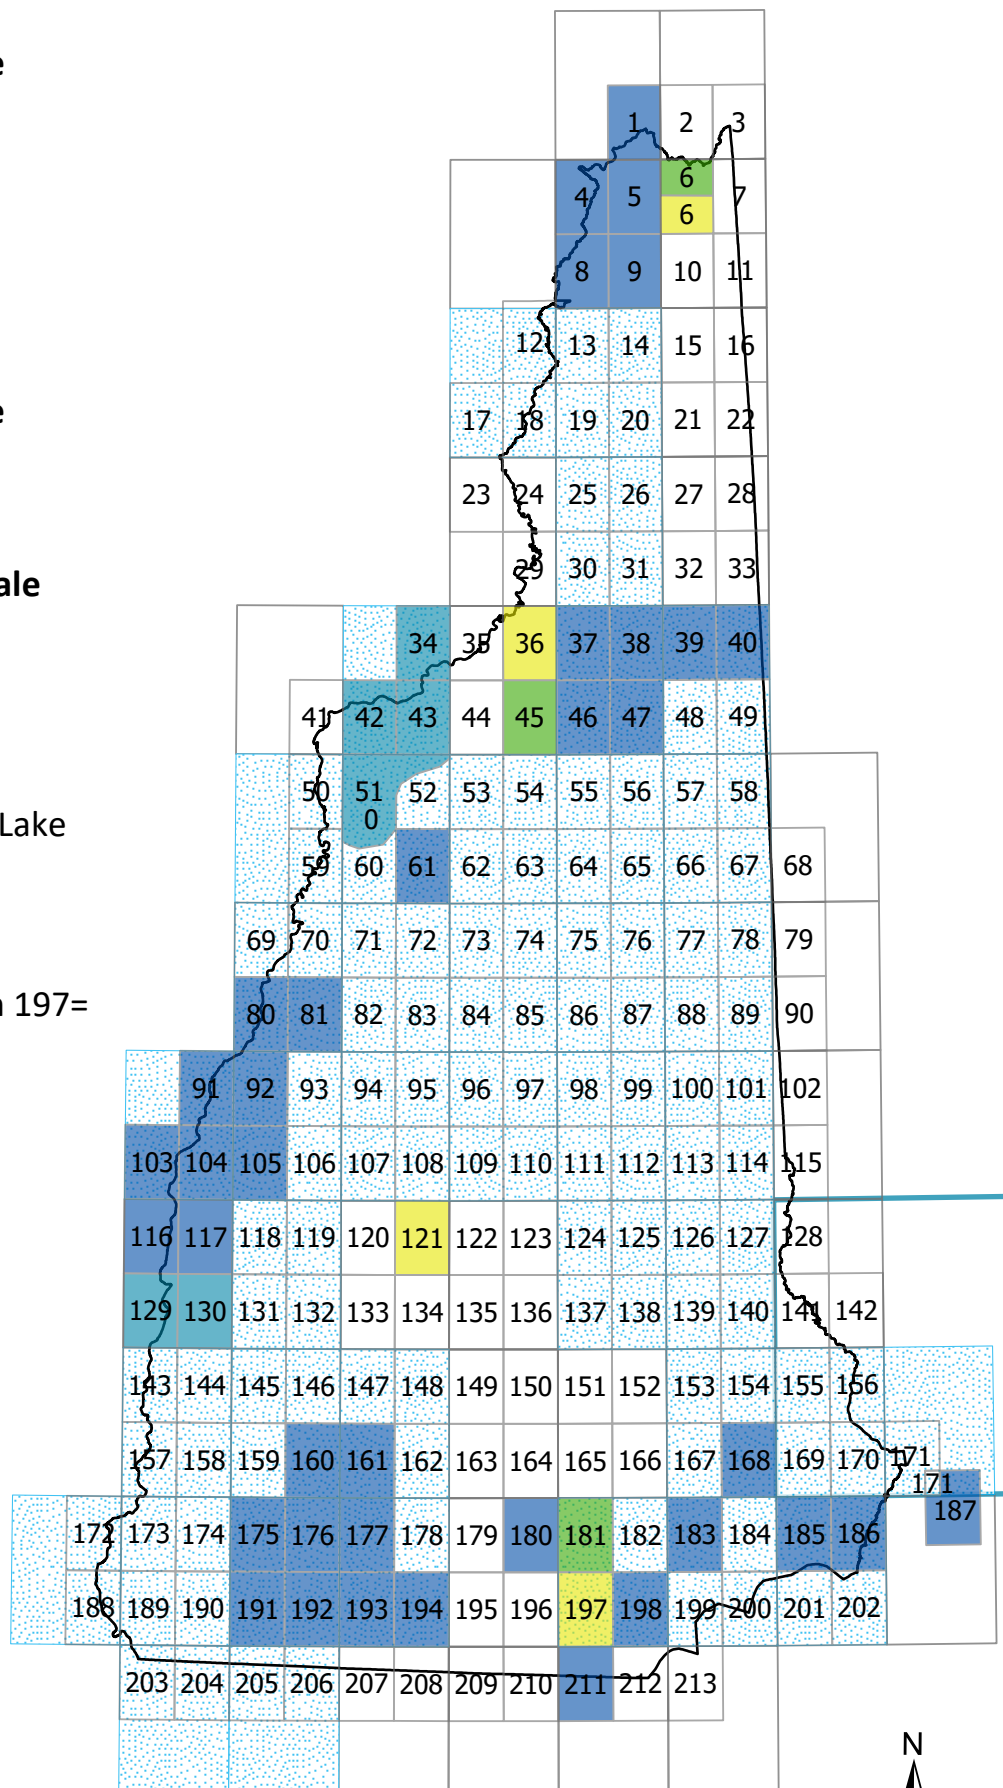

6= Second Connecticut Lake

36= Lancaster East

45= Bethlehem East

121= Andover

181= Manchester South 197= Nashua North

Status of Bedrock Map Completion by Quadrangle Identification Number and Name

If status is marked as “complete” please go to the New Hampshire Department of Environmental Services' [Publications Library](#) to search for that map, and any accompanying documents, by quadrangle name. If no maps or documents are found, or if you have any other questions, please contact the New Hampshire Geological Survey by emailing geology@des.nh.gov.
